Claim Information:

Lode Claim: RDS 502 Filed 2/29/2000 USMC not returned at this time.

Location of Proposed Activity:

Juab County Utah NW Section 13, T12S, R7W.

Describe Pre-Existing Disturbances and Structures or Indicate on Maps or Sketches:

None in the imitate area.

Describe Access Routes:

Access to the mining area is by a one lane road which will be graded to reduce damage to the surrounding area.

PROPOSED OPERATIONS: The mining operations will consist of cutting blocks of marbles from the ground. This operation will use a Bulldozer to remove the overburden from the area. The overburden will be stock piled on site for reclamation. The blocks will be drilled to size then expanding material used to separate the block from the rest of the material. No blasting or any explosives will be used in the operation of the material extraction. The blocks will be loaded by crane or fork lift onto semi-trucks and hauled to destination. All waste material from the blocking will be stored on site and used for reclamation. Equipment used for the blocking will include: trucks, fork lifts, drilling rigs, and cranes.

0001

Date Operations are Propose to Commence as Outlined in this Submittal:

The date of Operation is March 15, 2000.

Propose Completion Date:

March 15, 2010:

Proposed Reclamation: Re-slope disturbed area with similar slopes as other slopes in the area and reseed with native grass in native soil.

I hereby declare that I, or persons I have authorized to do so, will complete all necessary reclamation of areas disturbed during the course of my operations to the standard described in 43 CFR 3809.1-3(d) and that reasonable measure will be measure will be taken to prevent unnecessary or undue degradation of the federal lands during operations.
